Anne - Niels Sørensen

Multiple children with the same given name.

Do not assume the older child has died.

It is possible to have two or more living children in the family with the same given name.

In a second marriage the first child is often named for the deceased spouse.

This is a clue in separating the children listed in a census tally.

**Legitimate Births:** Father (parents) named first.

Identifier of Parents: Occupation or title (rank), village or farm.

Witnesses: The Cap mother (the one holding the child).

Other witnesses are family and friends. Often gives residence and relationships to the parents.

**Stillborn:** Do not assume the child was not born alive.

If un-christened or because of taxation, some babies who lived less than a day were noted as stillborn.

In older parish records the only listing is the burial and it may only say Achild@. In later records the death will be recorded in the male or female section of the register.

**Illegitimate:** Mother's name and place of residence.

Illegitimate child of Madmoder (mistress) Maren Pedersen or Pigen (girl) Maren Pedersdatter.

Alleged father and his farm or village are usually identified.

Surname is generally the patronymic of his father's name.

**Change of surname:** In 1905 a Royal decree allowed (for a fee) the legal change of a Surname from the patronymic name to a village, farm or occupation, etc. The vicar duly noted on the birth entry the date granted and new surname. Applied to both men and women. Damgaard, Schraeder, Juhl. Today a name change is closely monitored. If it is a rare or unusual name, you must show proof or right to use that name.

**Word (name) Definitions have changed:** Kok (Koch) = cook; originally it meant gamecock (chicken). Hans Andersen Kok: personality attitude, or occupation? Toft = pasture of a smallholder. Høj = tall or lofty - personality? or physical?

## HOW TO READ PARISH REGISTERS - TIPS

The Gothic Alphabet was used extensively in Danish Genealogical records prior to 1875:

**Script: Danish Gothic -** Letters are formed differently - learn them  
Family search has tutorials

See Appendix page 11: The Gothic Alphabet.

**Latin Feast Days:** Every week celebrated a Catholic saint/event

Two days were fixed: Christmas and New Year>s

All others were movable: Easter

Most had multiple names

Ferie: week day of that celebration - use the Sunday date

Ferie Epiph 2 - Week day of the 2nd week of Epiphany

Fest: Sunday of that celebration

Fest Ascensio

Palmarum - any day of Palm Sunday week - use the Sunday date

See Appendix page 12: The Latin calendar.

Denmark used the Julian calendar until 18 Feb 1700 - Feb 19 became March 1, 1700 when they changed to the Gregorian calendar - Dates Feb 19-29 of 1700 do not exist

**Older Parish records - before 1800**

Christening rather than birth, burial rather than death.

Betrothal as well as or instead of marriage.

See Appendix page 13: The Headings.
