

FIND MY PAST.COM

Find My Past is a world leader for online genealogy.

It is a pay-as-you-go, or subscription by month or year, or free thru LDS.

It has over 2 billion world records and over 850 million U.S. records with thousands of records being added every Friday.

These records include: Birth, marriage, and death and parish records, census, land, survey, and census substitutes.

Education and work records, Institutions and organizations, Special Collections, Military, Newspapers, directories, special histories, and many more.

Periodical Source Index (PERSI) and with the images being added every quarter.

You can narrow your search by using names, places, category, country, record collection or record set.

At the bottom of the pages are columns to check out more info. On the bottom right of the page is a column that shows "Connect with us" and has "Blog" "Facebook" "twitter" and "youtube". All have good information. The Blog also has tips.
