

AFTER THE 4K CLASSES, WHAT'S NEXT?

1. Give the youth reasonable challenges, i.e. add four photos this month; interview four relatives this month, etc.
2. Have a family history activity with a goal, i.e.. finding out the origin of your name through your ancestors such as in the “My Name Is Wyard” video found on the website.
3. Let the youth be the leaders in creating the plan for family history in their ward working with their family history consultants.
4. Provide a plan for updating skills, i.e. attend a class from the Mesa FamilySearch Library to present in the ward; plan a special trip by appointment with the library (phone 480-964-1200) to update skills for a small group with a specific request from the FamilySearch Library, i.e. Census Class, Family History Descendency View; or schedule a time to interview your grandfather or grandmother in the Audio Room, etc.

KEEP THE MOMENTUM GOING!

CREATE YOUR OWN PLAN AND GOALS!

ENJOY THE JOURNEY!
